

Suggestions for Clara and Mr. Tiffany Book Tour

Oldest part of MIA architecture, Classical Revival style (McKim, Mead and White

Progressive architecture style (Ulrich gallery) and dec. arts of Louis Sullivan

Duluth period room (Tiffany lamp)

Large Tiffany case clock, American gallery

Silver Presentation Tray by Tiffany, American gallery

Other Progressive style tiles, textiles, patterns, colors, materials in Duluth Room (Bradstreet)

The Smoker, painting by Manet, who is mentioned in the early part of the book

Could also use art glass by George Elmslie as a contrast to Tiffany windows and could use Elmslie and Sullivan terra cotta reliefs as a comparison

Could show other art glass fixtures in Ulrich gallery
